Most services will be available, but hours of operation and maximum occupancy of the building will be limited to ensure we are able to follow the recommendations of **North Carolina Executive Order 141**, the **North Carolina Department of Health and Human Services**, and **AppHealthCare**.

Ashe Outreach Ministries: Mobile meals to homebound. Distribution of food from Pantry will be Tues, Wed, Thurs: 9am-2pm Community meal at 11:00 pick up at door. Backpack distribution will be through school system.

Ashe Services for Aging:

- Ashe Senior Center is closed to the public. This includes the exercise room and all scheduled activities. Medicare counseling continues by phone. If anyone has Medicare needs they are encouraged to call the senior center.
- Drive-thru congregate meals, call Senior Center 246-4347 to order before 2 for the next day. Participants will be contacted regarding their immediate food needs, and efforts will be made to provide relief as needed.
- Generations Adult Day Care continues to be closed.
- Generations Children's Center open
- Visitor restrictions at Ashe Assisted Living continue to be in effect.

Blue Ridge Parkway: Parkway trails are open, but please help protect each other and the park by maintaining 6 feet of distance from other visitors and practicing Leave No Trace principles, including packing out any trash. If an overlook or parking area is crowded, please pick another area to visit. Also keep in mind that restrooms, visitor centers, campgrounds, and picnic areas remain **closed**. If you are planning to visit the Parkway, we encourage you to [check the National Park Service's website](#) for any changes in operations.

Restaurants:

June 3, 2020

To the merchants of West Jefferson,

Pursuant to Executive Order 141, I am authorizing the temporary closure of certain streets to assist our local restaurants to be able to serve their customers. Please review the attached rules and regulations regarding these temporary closures. These closures shall remain in effect for so long as Executive Order 141 is in effect, unless otherwise extended or retracted by the Town of West Jefferson. Except as otherwise modified by Executive Order, we continue to require all restaurants to comply with any laws or regulations set forth in the North Carolina General Statutes, the North Carolina ABC Commission or other controlling legal entity. We greatly appreciate your assistance and your support for the Town of West Jefferson.

Sincerely,

Tom Hartman, Mayor

Town of West Jefferson

Rules for Street Closures for Restaurants

To assist the restaurants during current Phase II restrictions the Town Board voted to close certain streets and parking spaces to help increase seating capacity. The street closures are temporary due to the current restrictions of Phase II that only allows restaurants to seat at 50% capacity. Once Governor Cooper lifts restrictions and allows restaurants 100% capacity the temporary street closures will end.

1) The following streets will be closed Friday at 5PM until Sunday at 5PM

- a. East First Street (Jefferson Ave to Third Ave)
- b. West Ashe Street (Jefferson Ave to Backstreet)
- c. West Market Street (Jefferson Ave to Backstreet)

2) Restaurants that are not adjacent to these streets will be allowed to block off 2-3 parking spaces to allow for tables to be set up in front of their restaurant – limited to the frontage of the restaurant

3) Restaurants will supply the tables for the areas

4) Restaurants will be required to clean and disinfect tables after each use.

- a. Increase disinfection during peak times and disinfect all shared objects
- 5) Restaurants will be required to keep areas clean by keeping trash cleaned up.
- 6) Areas must still meet the Executive Order No. 141 Guidelines
 - a. Limit the number of people in the space so that groups can stay six feet apart
 - b. Arrange tables so that customers sitting at a table are not within six feet of any customers sitting at another table. Limit customers at tables so that no more than ten people shall be seated together at one table.
- 7) Restaurants must follow current ABC Guidelines as outlined in Executive Order 141 (see attached).
